Unless otherwise specified, all house portraits are created with colored pencils and black ink on Bristol board. They are available in the following sizes/ prices:

11x14" - $450

14x17" - $600

19x24" - $850

Note: if artwork is to be used for Christmas cards or general note cards, the artist can work with a local island printer to design and print these cards. A minimum $250 will be added to the final charge depending on the number and size of cards printed and additional text, if any.

A 50% deposit is required upon commission. The remainder is due when the finished portrait is presented to the owner.

Each portrait will take up to 4 weeks to complete (5 weeks for 19x24" size). The Artist will take pictures of the house and then sketch the best layout/ angle. He will consult with owner before beginning the final color phase of the drawing. The final drawing will be presented to the owner unframed.

Please note that between June 15 and September 1, no new orders are taken due to the nature of the busy summer season on Nantucket. Orders booked just prior to June 15 May take longer to complete.

If you are booking an order intended as Christmas cards or a present, please place your order no later than November 15. Non-Christmas orders booked between November 15 and December 31 will take longer to complete.
